### ABOUT THE EVENT

Neighbors Together 2020 is part of NeighborWorks Week. Each June, NeighborWorks America and its network of local organizations, including ANDP, mobilize tens of thousands of volunteers, businesspeople, concerned neighbors, friends, and local and national elected and civic leaders in a week of neighborhood change and awareness.

ANDP is part of the national NeighborWorks network, an affiliation of nearly 250 nonprofit organizations located in every state, the District of Columbia and Puerto Rico. In fiscal year 2019, the NeighborWorks network provided 457,200 housing and counseling services; owned and managed 173,700 rental homes; and created 47,100 jobs. The NeighborWorks network was founded and is supported by NeighborWorks America, which creates opportunities for people to live in affordable homes, improve their lives and strengthen their communities.
